

## TRUE TO INNOVATION. TRUE TO PARTNERSHIPS.

Olympus contributes to society by making people's lives healthier, safer, and more fulfilling around the world. We are passionate about transforming the future of healthcare and strive to achieve this by developing innovative solutions that help healthcare professionals realize Early Diagnosis of disease and provide their patients with Minimally Invasive Treatments.

Olympus is seeking partnerships that support these goals through safe and efficient endoscopic/laparoscopic solutions in the following areas:

Gastroenterology | Respiratory | Urology | Gynecology | ENT | General Surgery

To share your ideas and discuss a possible partnership, please visit our booth or contact us at medtech\_innovation@Olympus.com

1. Any ideas, documents or information submitted in contacting us should be on a non-confidential basis. All ideas must have a patent filing. 2.
